Variance Request: _____

Special Conditions Present to Justify Request: _____

I submit that a literal interpretation of the provisions of the zoning ordinance would deprive me of rights commonly enjoyed by other properties in the same district under the terms of this ordinance. The circumstances do not result from any of my actions. The granting of this variance will not confer any special privilege for this property that is denied by the zoning ordinance to other lands, structures, or buildings in the same district. There are no non-conforming use of neighboring land, structures, or buildings in the same district and no permitted use of lands, structures, or buildings in other districts that will be considered grounds for the issuance of a variance.

- A fee of \$100 must be paid to the Town of Windsor with this request to offset the cost of advertising and other administrative expenses.
